**Panacea Biotec reports impressive financial results
for the First Quarter ended June 30, 2010**

New Delhi, July 20, 2010: Panacea Biotec today announced its unaudited financial results for the quarter ended June 30, 2010. The Company's Board met here on Tuesday, July 20, 2010 to consider and approve its unaudited financial results for the quarter ended June 30, 2010. The results were also reviewed by the Company's Audit Committee in its meeting held on Monday, July 19, 2010.

Quarter ended June 30, 2010: The Company's net turnover with a growth of 43% stands at Rs.2,539 million during the quarter ended June 30, 2010 as compared to Rs.1,772 million for the corresponding quarter of previous financial year. The Company registered formulations segment net turnover of Rs.777 million as compared to Rs.568 million during the corresponding quarter of previous financial year registering a growth of 37%. The domestic pharmaceutical formulations grew by 14% whereas export pharmaceutical formulations segment grew by 406% in this quarter. The Company registered vaccines segment net turnover of Rs.1,762 million as compared to Rs.1,204 million during corresponding quarter of previous financial year registering a growth of 46%. The Company reported substantial growth of 68% in its PBT at Rs.354 million as compared to Rs.211 million during the corresponding quarter of previous financial year. The Company reported significant growth of 150% in its PAT at Rs. 326 million as compared to Rs. 130 million during the corresponding quarter of previous year.

Dr. Rajesh Jain, Joint Managing Director said, the quarter with a growth of 43% is strong and in line with our expectations. Both vaccines as well as pharmaceuticals business have contributed significantly to this growth .

In addition to consolidation of our business in existing markets we have opened up new international markets like Brazil and Philippines in this quarter which has contributed to growth. .
